

# Company Profile

— since 2012

# About Us

O Designs is part of Eamar Eldelta Group and a hugely successful entity.

Therefore, presenting the place with a unique design that satisfies customers and keeps up with their aspirations is our responsibility.

13 years of wealth experience in accomplishing more than 600 units accomplished projects (residential, commercial, administrative, and medical ).

Our strength has been derived from being an integrated team component of interior designers and execution engineers under the supervision of financial, technical, and quality administration that is controlled by a clear cost budget within a specific timeframe.

— Most Creative Designs  
Niche Award 2022

# *OUR VISION*

We make a unique interior design concept ,to be the only choice for clients.

— O Designs workspace in Tanta

# Our Mission

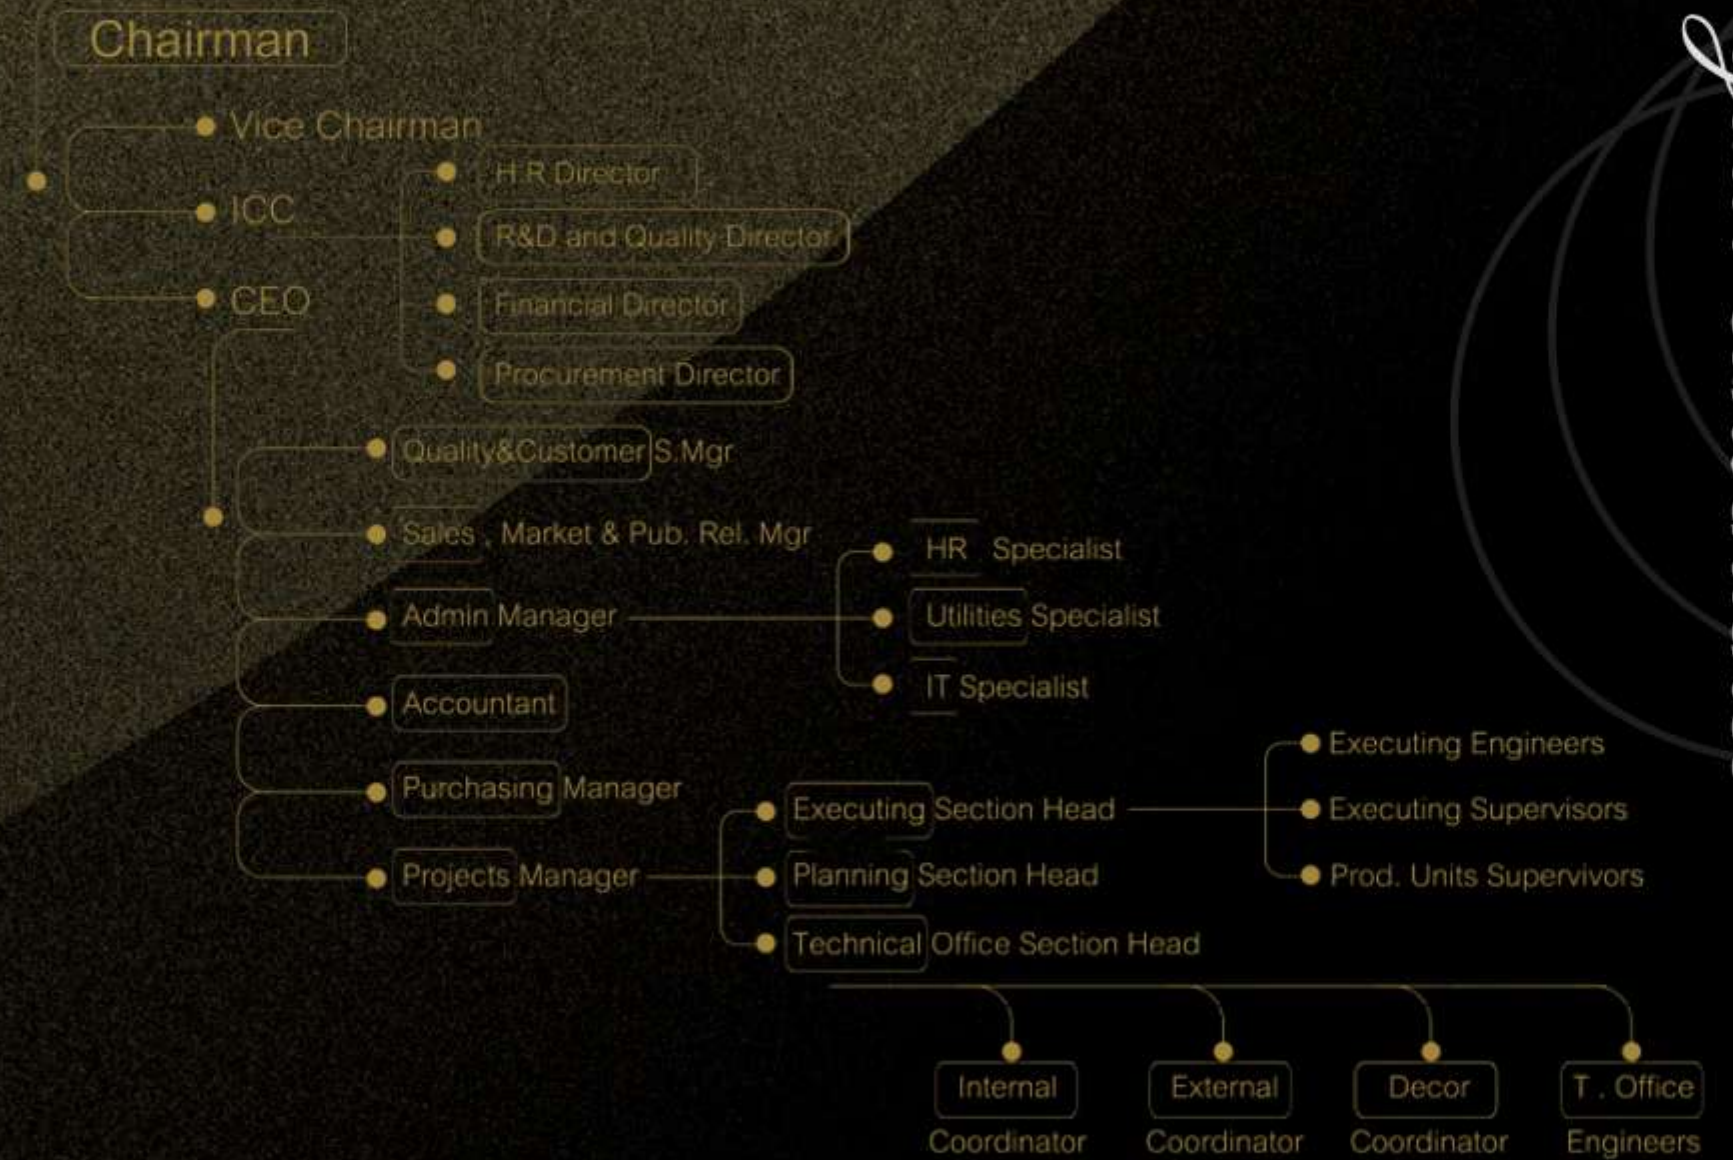

We strive to have a role and an impress in improving and beautifying the inner environment of the spaces at a level that suits our customers and spare no effort to meet their needs and be above their expectations.
